"HENNA AND HER SICKOS"

I'm an avid fan of Woody Allen and I think that "Hannah And Her Sisters" was a masterpiece, but "Henna And Her Sickos" was just SICK. Go back to trashing bad movies like "Rocky IV."

R. Keith Phipps
Englewood, OH

You guys wasted five pages on "Henna And Her Sickos." If you ever spoof another Woody Allen movie again, I'll puke!

TAKING THE BIBLE BY THE HORNS

I find Mrs. Linda Houk's letter in MAD #265 extremely distressing. From its contents it's obvious she is a blind self-righteous patriot. If she thinks MAD is too awful to read, I'd like to suggest she try something else. It's called THE FIRST AMENDMENT!!!

Mark Wilson
Columbus, OH

I saw the "Bible Belts" letter in MAD #265, and I have a few comments. If that lady would actually read MAD, she would see it is really worse than she thinks it is. MAD's language is not only atrocious, but also revolting, repulsive and nauseating. Lastly, I can't figure out why she would want MAD to change its attitude, because right now it's just how its readers want it—CHEAP AND DISGUSTING!!!

RHYMIN' REAGAN

"The Reagan" in MAD #265 made my day. I love the caricature by Gerry Gersten. The whole thing was a welcome surprise. I'm sure if Poe was still around, he would have written the same thing. After all, he was a horror author, wasn't he?

MADMEN RETURN

Talk about "deja vu"! This looks like the 50's again! The best move MAD has made in a long time is wooing artists Will Elder and Harvey Kurtzman back to E.C. Publications. Please don't let them stray again!

MORON MAIL

I love your moron mail. Some people say such stupid things it is unbelievable. Do they think they're funny? And those snot-nose people who write, I love the quips you put under their letters. They deserve it. How stupid can some people get?

What does Hollywood do when the teenage stars of their sludge movies grow too old to play teenagers? Easy! They make movies about over-the-hill teenagers and hope the sludge can rise to the level of...

ARTIST: MORT DRUCKER

WRITER: STAN HART

This is the most **elaborate** film of its kind ever made!

Oh, come now, I've seen more **elaborate** action films!

I'm talking about **Navy recruiting** films!

This movie demonstrates our **military preparedness** and gives some people a lot to **worry** about!

You mean **potential enemies** who might attack us?

No, I mean Americans who believe that **goofy fliers** like these can **protect** our country!

I feel that **shooting and killing** are not proper subjects for **entertainment**!

True, but how many people do you know who would pay 5 bucks to see a movie about a **disarmament conference**?

MELANIE?

QUIET!

I LOVE YOU, TOM CRUISE!

HE'S NO CARY GRANT, BUT HE'S CUTE.

HERE I AM, STANLEY!

SYOSSET HIGH

Tell me it's not true! **Maniac and Goof** are here in **Top Gunk**?

That's **ridiculous**! They aren't **team players**—they're headstrong, reckless, and a **danger** to their **fellow pilots**! So they're sent to the school only the **best pilots** in the Navy are chosen to attend? Who's going to believe that?

The same people who believe that building up our armed forces **encourages world peace**!

In this **briefing**, I want to go over the **checklist** for Navy movie pilots! A pilot must: 1) Try to redeem his family name; 2) Disregard rules to save a buddy; 3) Be a womanizer; 4) Despair, but find renewed faith; 5) Get into trouble with the brass, but be secretly admired by them! Commit those to memory! **Questions?**

Sir, I'm Lt. **John Jones** and I...

ICEBERG SON OF DAVE BERG

NAVY

ETOP GUNKE

Hey, if the **government** supplied the **planes** and the **stunt pilots** and we **taxpayers** footed the bill, how come we have to pay **admission** to see this?

That's **show biz!** Ain't we still paying to watch actors in real-life roles as **politicians?**

The MIG's on our **tail** Maniac! I can't see him!

Great! We've got a 30 million dollar plane with a 3 million laser holograph scope sight and a 4 million load of the latest air-to-air missiles—and we're going to get our **butts blasted off** because we don't have a lousy **6 dollar rear view mirror!**

RIGHT ON!

GO AHEAD, MAKE MY DAY!

John Jones? Get that **creep outta here!** Which brings up point **number 6**—any pilot caught without a **silly** or **catchy nickname** will be automatically **dropped** from the **Top Gunk** program!

TYPICAL DOGFIGHT

That girl really intrigues me!

You always say that...

Yeah, but this one's got **something** the other girls I know don't have!

What's that?

A big headstart on middle age!

///RT DRUCKER

There are a few **rules** you have to remember to become successful Navy movie pilots! You must:
 1) Smile 90% of the time and hold back tears the other 10%; 2) Have a close friend who gets killed; 3) Never appear on screen without being sweaty; 4) Meet an old buddy of your dad's who "really loved him"; 5) Be afraid to make an emotional commitment to a woman!

But Sir, there are no women here in **Top Gunk**...

Which brings us to number 6—Accept **without question** that the country's **foremost aerial combat expert** is a young lady who's never been in a plane in her life! Inability to accept these and all other clichés thrown at you is tantamount to **failing Top Gunk training!** Dismissed!

MIG DONALD'S

TOP SECRET

How come she's the instructor instead of a **veteran Navy pilot**? What **experience** does she have?

They say she's **logged over 300 hours!**

Really?

Yeah! She saw "An Officer and a Gentleman" **165 times!**

Besides, there's gotta be some kind of **love interest** for Maniac!

Love interest? Who's gonna believe that? She looks old enough to play **Maniac's mother!**

You know it! I'm glad I play an "Ice Berg" so I don't have to **make out** with her!

Why do you try to be such a **hot shot**? What are you trying to **prove**?

That I can be the kind of man my **father** was! He was a fighter pilot, too!

What happened to him?

No one knows! He flew off into the clouds one day and was never heard from again!

Did he die?

Either **that** or he landed in **Philadelphia!** It's just about the same thing!

Maniac, you should be **yourself** and stop trying to act like **someone else!**

You mean like **my father?**

No, like **Dustin Hoffman!**

So I let the MIG catch up to me—then I put on the brakes! He zoomed past me and I was on his tail!

You took too great a risk, Maniac! Supposing you had crashed?

Hey, man, I'm not afraid to die!

Who cares about you—you can be replaced very easily! It's the plane that we don't want to lose! Remember, at Top Gunk we do everything by the book!

First, kiss my eyelids! Now nibble on my nose! Now my earlobes! Now... hold it a second...

What's the matter?

I lost my place!

You were reading instructions? I know you do everything by the book, but this is ridiculous!

I'm proud of this uniform and I know I'm the best there is!

Not really! There were at least 75 pilots in the last class who were as good as you, and 25 who were a lot better!

I don't believe that! I could fly rings around them up there!

Who said anything about "up there"? I'm talking about down here!

We've got trouble, Goof! The engine's gone!

We'll have to eject and ditch the plane!

I don't care what the squadron leaders think!

What are we going to do, Maniac?

Some people aren't going to like that!

I'm talking about people living in Los Angeles—'cause that's where this ditched plane'll go down!

Your buddy Goof is gone, Maniac! You're lucky you spilled the yellow dye or we might not have spotted you! You would have been a goner, too!

I've got news for you, Mac—that wasn't yellow dye!

Goof is dead? My husband? What did he die of?

Terminal cliché! The minute you showed up with that kid, everyone knew he was a dead duck!

You can't allow yourself to feel guilty about what happened, Maniac! When a buddy goes, you've just got to let him go!

Let who go?

You really learn fast!

ARTIST: JACK DAVIS

WRITER: MIKE SNIDER

I just finished the books. We're 2½% over budget.

Damn! Well, see if you can "play with" the figures.

To bring them down?

Are you nuts?! To bring them up! People in this business have no respect for a video unless it's 20% over budget!

Do you think the drummer's facial tic is gonna show up on camera?

Don't worry! If this video's a hit, half the kids in America will be imitating it because they think it's "COOL"!

They're lip-synching the song to a studio tape?! Why don't they sing it live?

'Cause, without a million dollars worth of recording equipment, these guys sound like four Chihuahuas in heat!

Stand back, he's one of the most important people in the entire music biz!

Wow! Who is he, some bigwig record exec or producer?

No! He's a drug supplier!

Yeah! It's nice when things go right for a change!

I just read the script. This video makes absolutely no sense at all!

THE SCENES AT A VIDEO

What's your job here?

I'm an Associate Producer.

No kidding, so am I! Which member of the band are you related to?

Who had this studio before us?

Prince.

Ah-hah!! That explains the purple toilet paper in the john!

Didja hear about Twisted Sister's new video? Three Dead and Eight Wounded!!

Is that the title?

No, that's the body count on the set!

The actual number of Michael Jackson's relatives with videos of their own!

What are they betting on?

\$10 says it's "35"!

No! I'm sure it's "49"!

I'll bet \$5 on "27"!

A stabbing, two shootings, a simulated rape and four car crashes...it just doesn't seem right for a love song!

What if we added a few more stabbings and a nuclear explosion?

I get the feeling music videos still don't take women seriously.

Hey! These chickens are still alive!

That's the last time I hire a caterer recommended by Ozzy Osbourne.

Now you're talking!

What makes you say that?

I'm listed in the script as "Breast #3" and "Breast #4"!

MR. JOLLY ROGERS' NEIGHBORHOOD

VISITS A LOCAL BANK

*It's a typical day in my neighborhood
Where life's sure to stay this way for good
It's ideal—'cause it's unreal!
It's not like your house—here everything's calm!
I'm not like your dad—I'm more like your mom!
I'll be—thanks to TV—
Your neighbor!*

Hi, neighbor! Here we are together again in our **own little world** where we have such fun, like watching me change my clothes and talking to special guests!

Today's guest is Ralph Nabob, the President of the First National Neighborhood Bank! It's nice to have you visit us today, Sir! How are you?

Quite well, bank you! Do you have real interest, or are you just checking? Hi yo silver and gold! The loan arranger rides again!

ARTIST: ANGELO TORRES

WRITER: LARRY SIEGEL

My, you're sure caught up in your work...

I've always been that way! Why don't I deposit myself right here and sing about it...

*Even as a child
Money drove me wild
So my life was styled
For security—in my future-ity
There would be lots of money—highly piled!*

*Now that I am grown
Haven't changed my tone
Money that I loan
For security—I make damn sure-ity
It's someone else's money—not my own!*

What a grand song that was, Mr. Nabob! And now with your help, what do you say we all go and pay a visit on a typical bank just like yours...

Isn't this a lovely pretend bank! Look at those wax make believe bank teller dolls!

Chuckle... They're real tellers from my bank! All tellers freeze like that when there are customers waiting!

Why don't I pretend I'm a depositor and let's see the first thing a bank teller does when you walk up to him...

Did you know he was going to do that? I did! I've been to a bank before!

See how fast they can move when they have to, Mr. Jolly-rogers?

Oh my, yes! Now let's look at some of the bank promotions you brought along to show us...

Aren't these wonderful? In the first case we have an American Presidents' exhibit, in the second is an antique coin collection! What's in the third case, Mr. Nabob?

A rare pen display!

Rare pens?

An unbelievable find! Three pens discovered in over 14,000 American banks that actually write! The post office is also planning an exhibit like this, but so far they haven't found any pens that work!

Aren't we having fun today! No, we're not! Do you know why? Because nobody ever has any fun in a bank! That's an important lesson! Okay, let's continue our visit...

My, what a lovely bank! And what a nice mummy! Is this part of an Ancient Egypt bank exhibit, Mr. Nabob?

Chuckle... This man only looks embalmed, but he's alive, too! More so than most of our tellers! He's our bank guard, Bertram Mulcahy! I'd ask him to sing us a song, but he doesn't have a very good voice...

That never stopped anyone else on this show before!

Golly gee, can't you see, I'm obviously happy to be me! Whoop de doo, sad but true, you're obviously not me—You're only you!

The sun is warm, the sky is bright, God sure created things just right! How do I know? I'll tell you square—I remember—I was there!

No one knows for sure, but he has a security card showing he was the guard at the **FIRST** First National Bank!

Chuckle... Those silly bank robbers only think they got away with our money! We've got them **dead to rights** with our bank camera!

See... No matter where they go—to the beach, a Nautilus club, wherever—they're shaking in their boots because they know that we know what they look like...

But isn't there just **one** small problem...

Okay, so they have to be wearing **ski masks** at all those places! Gosh arooty—why must everybody be so **picky**?

Not really, Mr. Jolly-rogers! I just try to **frighten** depositors into thinking I'm checking out their **whole lives**! Most of the numbers I punch are **meaningless**!

Where did Mr. Nabob ever find you?

At a supermarket **checkout counter**! I'm still famous for charging a customer **seven times** for one box of Cheerios!

Please give me back my credit card! I swear it won't happen again! Please! PLEASE!!!

What is this commotion about here, Mr. Nabob?

Sad case! The customer just **paid** the \$753 he **owed** on his Visa card bill in full...

That doesn't sound like a bad thing to me...

We can't **make money** if people pay **everything** they owe us **right away**! The idea is to get them to pay as **little as possible** so we can **soak** them with **heavy interest** and **finance charges**!

He said he's **sorry**! Can't you give him another chance?

It breaks my heart, Mr. Jolly-rogers, but his type is **destroying** the **American plastic way** of life!

YOUR AMERICAN ESPRESSO CARD — DON'T LEAVE ROME WITHOUT IT!

There, now wasn't that a very important lesson we just learned? When we grow older—we're never going to pay our bills when we have to, right? We're going to pay as little as possible, to help keep America strong!

Before I leave can I borrow some money?

Fine! Just tell me what **collateral** you have! You know, a house, a car, whatever, and we're in business...

LOAN DEPT.

THE LOAN ARRANGER

I don't really own very much! But you know me, Mr. Nabob—I've been banking here for years!

What? You expect me to lend money to a nobody with nothing to his name?

But I'm a famous, important TV personality!

You call public television TV? Our cleaning people make more money than you! I'm sorry, we only lend money to people who can afford it!

But if I could afford what I want I wouldn't have to borrow money! Who do you lend money to these days?

Diana Ross, Bill Cosby, Michael Jackson and the King of Saudi Arabia! They have collateral!

Well, thanks for inviting me to your swell bank, Mr. Nabob! Before I go, I think I'll **withdraw** some cash from my savings account! I'm sure I can qualify for that, can't I?

Not really—it's after normal bank hours! You'll have to use our **automatic teller** which is open 24 hours a day!

Hmmm, I think I'll come back tonight when I'm passing this way again...

Nowadays, it's the only way to bank—no crowds, no hassle, no fuss!

Mr. Nabob was right! This is the **only** way to bank! No crowds, no hassle, no fuss... Excuse me, sir, where did you come from?

From behind that mailbox, where I always wait late at night for pigeons like you! I love automatic tellers too!

Am I ahead of you or are you ahead of me?

Tell you what... Let's do it **together!** You withdraw from the bank and I'll withdraw from you!

Hasn't this been a wonderful day? And a wonderful night-time too? Tomorrow I'll come out of my closet again... What could be better than changing my sweater—Specially for you!

Happy tomorrow, neighbor! Thank you for making this a very special day for me! Goodbye, bank! Goodbye, automatic teller! Goodbye, friendly mugger...

FIDELITY

Boy, you just can't trust any
of them! I've just found out
that Sue is a liar, a cheat,
and totally untrustworthy!

Why do
you
say
that?

She told me she was out
last night with her
girl friend Sherry!

So, how do
you know
she wasn't?

Because last night I
was out with Sherry!

Nick, didn't you say you were going to mow the lawn today?

Are you kidding? Gimme a break, Meg, it's 90 degrees out there!

You feel it more when you just sit around and complain about it!

You're right! I'll concentrate on something else and forget about the heat!

I'll go play some tennis!

Early One Afternoon at Top Gunk

OFFICERS IN DIS-DRESS DEPT.

It wasn't long ago when all the detectives on television were men. Women were portrayed as being frivolous and silly. But now we have a crime drama show where two of the detectives are women! They're every bit as effective as their male counterparts, and they smell a heck of a lot better! But they're still silly and frivolous! Of course, we're talking about...

Grabme & Spacey

ARTIST: ANGELO TORRES

WRITER: DICK DE BARTOLO

I'm **Pristine Grabme**! I'm 40-ish, but I look **younger**! I'm also **single** and I **drink** a little **too much**. But hopefully one day I'll be **married** and I'll have someone to **share** my life... and the **cost** of my **booze**! In the meantime, I'll go on working as a **plainclothes detective**. And believe me, on the **salary** they pay New York cops, **plain clothes** are all I can afford!

I'm **Detective Peachy** and I'm just a **token** around here! Not a **token black**, a **token detective**! Grabme and Spacey get all the **good** cases in this precinct, so the **rest** of us **guys** are all **tokens**!

I'm **Merrybet Spacey**, Grabme's **partner**! I'm 40-ish, but look **older**! I'm a very **private** person, so **don't** ask me about my husband **Hardly**, who's usually **out of work** or not **happy** with the job he **has**, or my **two boys** who wish I wasn't a **cop**, or our new **baby daughter** who drives us all **nuts** with her **crying**! Oh, did I mention our new **house**? Anyway, the guys down here at the police precinct are always **teasing** me. They say they don't know which is **thicker**: my **New York accent** or my **midriff bulge**!

I'm the **desk sergeant**. I just mostly **smile**. But everyone in this precinct is so **heavy-handed** and **depressing**, a simple **smile** is like **major comic relief**!

I'm **Lt. Darnrules**. I'm **in charge** here! And although I'm a bit **gruff**, I'm not a **male chauvinist** at all! In fact, I kinda like having Grabme and Spacey on my staff. Having **two broads** around here **brightens up** the place a bit!

We're **Starsky and Hutch**! We want to report a **robbery**! Someone stole our **show** and gave it to two **women detectives**!

I'm **Issexy**, God's **gift to women**! Now if I could only get some women to **accept** the "gift"!

OK, listen up!
We've got a
rape, arson,
a drug bust
and a hit-and-
run accident.

Perfect!
I was
hoping
for a
quiet
day!

The Chick Glitz
Deli was held
up for the third
time this week!
Grabme, you and
Spacey get on
it right away!

Naw, that's too
cut and dry! No
pathos or chance
for long-winded
speeches on "the
world as seen by
two modern women."

A Mr. Manana
called. He's
being har-
assed by
his landlord
so he'll
move out.

Bingo! That
case sounds
like "maud-
lin city"!
Let's get
over there
right away!

You know, Spacey, sometimes I think
I'm never going to meet Mr. Right!
Guys are afraid to date a woman cop!

That's not true! What about the
guy that followed you every-
where all last week?

He stopped following me once
I took off the handcuffs!

How about that other guy you
were dating? The one you lied
to and told you worked in a
doughnut shop?

He split, too! On our last date, I
opened my purse and my gun
fell out. I told him I used it to
shoot holes in the center of
the doughnuts but he didn't
believe me for a second!

FALLEN
CRANE
ZONE

HELP!

FALLEN
BRICK
ZONE

You know,
Merrybet, you
passed the
address
we're
going to
three times
already!

I know, but I have a wonderful
husband and three great kids!
Your personal life is nothing
but despair and depression!
So I thought the least I could
do is keep driving around...
until you finished complaining!

You
have
a
lot
of
class,
Merrybet!

Look at this place! Roaches
are everywhere! There hasn't
been heat or hot water for
six months! Hookers and drug
pushers live on both sides
of me! I need help fast!

Let me ask you one
question first: Are
there any vacancies?
This place sounds a
lot better than the
dump I live in now!

You don't want to live here, believe me! The landlord is trying to force us all to move so he can sell the building to a **condo developer**. They **harass** us day and night! Today there was a **dead body** in the **garbage chute**!

Well, at least they're **neat**! They could have left the **stiff** in the **hallway**!

You should **organize**! Elect a **tenant representative**!

We did! That's the guy they found in the **garbage chute**!

This floor is a **mess**!

That's not the floor, that's the **ceiling**!

What's the ceiling doing on the floor?

The same thing that the wall is doing in the tub, **FALLING**!

At least you have a **cat** to keep you **company**!

What cat? That's a **rat**! One of the **smaller ones**! I think they truck them in from **other slums**!

How about **getting even** with the **sleazebag** that's doing this to you?

I'd like to, but I'm **afraid** he'll do something **drastic**—like fire his **96-year-old mother**! Then we'll have **no janitor** at all!

You must **testify** against your landlord! You must, **must MUST, MUST!!!**

OK! OK! I'll testify! I can't take any more **harassment**!

That's why we're going after your **landlord**!

What landlord? The harassment I mean is **you** and your **partner**! Get out!

Hey, **Slimebucket**! Here's a **subpoena** for you to appear in **court**! Mr. Manana is going to testify against you. The charge is **harassing tenants**!

Whadda ya mean? I'm one of the most **generous** landlords around! Who **else** arranges for the **garbagemen** to come every day of the week?

Yeah, but **yours** come everyday to **deposit** garbage!

Big deal! So hang me for mere **details**!

I suggest you get yourself a **good lawyer**!

Perhaps a **young, handsome** lawyer who's **single** and might be attracted to a **lady detective** who's charging his client with harassment. See, my partner, **Pristine**, is a **lonely lady** and...

MERRYBET! You know, sometimes I **wonder** if you're **worth** the **embarrassment**!

How's Grabme, Mom? We haven't seen her in a long time.

Grabme's okay, but she still wishes she had a husband like I do. She longs for a family and home-cooked meals! Now, will you kids please shut up, eat your Chicken McNuggets and just stay out of my hair!

So tell me, Hardly, how was your first day on the new job?

It was okay! But it was only a half day. I changed jobs during my lunch hour!

Hardly, you change jobs more often than New York City politicians accept bribes!

I changed my mind! I don't want to testify!

You can't let that creep get away with illegal harassment! Unless you change your mind and testify, I'll show you harassment! I'll have your car ticketed every day, I'll watch your...

Pristine, let me deal with him. Sometimes being a mother helps a person relate better! Mr. Manana, do you want me to send you to bed with no dinner? How would you like no TV for a whole month?

I'm scared! Yesterday, my car blew up! Last night, my apartment caught fire! This morning, somebody took a shot at me!

You can't take that stuff personally! This IS New York!

Work with us and we'll give you a new identity! See that photo? That's Jimmy Hoffa! He worked with us and just look what we did for him!

Boy, I hope Mr. Manana doesn't change his mind again!

If you're waiting for a Spanish guy, about 40, short with a moustache, I think he was abducted about ten minutes ago.

What makes you think that?

Because as three men dragged him out the door he was screaming, "Somebody help me! I'm being abducted!!!"

We've got to find Manana right away or Sleezebag could win this case!

Hey, what are you two doing in here?

We always go into the bathroom to confer!

But this is the men's room!

I know! What better place for my single partner here to meet eligible bachelors!

Merry-bet... PLEASE!
